CORRECTED SIGNATURE PAGE OF FIRST AMENDMENT

Sir:

In response to the last Office action, which indicated non-compliance due to a missing
required signature that was overlooked, please accept the following signature page 16 as a
replacement of the signature page 16 of the reply to first Office action sent on December 5,
2005. Please note that the co-inventor, Mircea Bayer, received the Office action notice,
however, when forwarding the form to me, it seems it has been lost in the mail. Since I do

1 not have the form indicating the corrective action and no copies were made, I am responding
2 with this notice based on verbal communication with Mircea Bayer. If this notice does not
3 address all outstanding issues with the reply to first Office action, could you please resend the
4 Office action.

6 Respectfully submitted,
